

Certified Pile Burners Virtual Course

Tuesday, November 16, 2021 and Wednesday, November 17, 2021.

The Florida Forest Service and UF/IFAS Extension Clay County will be conducting a Certified Pile Burners Course virtually in November. This course will show you how to burn piles ***legally, safely, and efficiently***. Most importantly, it could save a life. If you burn piles regularly, do not put off registering for this training. When the weather is dry, certified pile burners will receive priority for authorization to burn. Also, certified pile burners are permitted to burn up to two hours longer per day and get multiple day authorizations. Don't wait to get certified. The number of trainings offered each year and attendance at each training is LIMITED. This training will be broken into two, 4-hour sessions – November 16th from 8am -12noon and November 17th from 8am – 1pm, via Zoom. You can register and log in from the comfort of your own home while getting the necessary information you need.

Registration is \$50 per participant and includes the shipping of class materials and administration of the exam. Registration is limited to 100 participants and ends at midnight on November 7th. To register, go to Eventbrite at:
