The Feed Master Registration is contingent on the distributor's compliance with all applicable provisions of the Florida Commercial Feed Law and Rules, and the payment of a registration fee which is based on the tons of feed distributed in Florida during the previous license year. If a distributor has been in business less than one year, the tonnage shall be based on projected distribution for the first license year and based on actual tonnage thereafter. Please enter your actual or projected tonnage in the "Tons Distributed" field below.

Registration expires on June 30th of each year. If you have any questions, please visit our website at <http://www.flaes.org/complimonitoring/feed.html>, or contact the Feed Section at 850-617-7866.
