

KEEP CALM AND SNACK ON

Snacking smart has never been easier.

This school year, all snacks sold in school are **Smart Snacks**, making your choice right every time. With less sugar, fat, and sodium and the right amounts of vitamins, minerals and fiber, **Smart Snacks** are there to help you fuel up in a healthy way!

Beverages sold at school are getting smarter too.
Water, milk and 100% juice are available for purchase.

*High schools allow tasty calorie-free and low-calorie beverage options as well.

This institution is an equal opportunity provider.
