General Instructions:

Please complete each section of the Application and the Site Visit Worksheet as fully as possible. The more information given, the more prepared the site visit team will be when they visit the property.

The Application and Site Visit Worksheet are available at: FreshFromFlorida.com/RFLPP

The Site Visit Worksheet will be needed prior to the site visit but completion and submission with the Application is preferred.

Six paper copies of the Application are not needed. Please provide one (1) paper copy and one (1) digital copy of the Application and Site Visit Worksheet. If there are more than 10 vesting deeds and/or Property Appraiser pages, these may be provided as an electronic copy only.

If available, surveys of the property are preferred over tax or plat maps. We would request shape files or kmz files, if available.

Either County tax pages or Property Appraiser pages may be provided. Property Appraiser pages are preferred. If a portion of the landowner's property falls within a Property Appraiser's identification number, but is not included in the project, please indicate clearly on the page and on an accompanying map where the property that is not included is located.
