

Aquaculture Education Resources: Field Trip Opportunities

600 South Calhoun Street, Suite 217
 Tallahassee, Florida 32399-1300
 • • • • •
 Tallahassee Office: (850) 617-7600
 Bartow Office: (863) 578-1870
 Email: Aquaculture_Web@FDACS.gov
 Website: www.FDACS.gov

This publication is an up-to-date list of aquaculture field trip opportunities in each region of Florida. Teachers may contact these public and private organizations to schedule an on-site field trip for students. If you have or know of additional aquaculture field trip locations that you think should be included on the Division's recourse list, please contact Katrina Bayliss at Katrina.Bayliss@FDACS.gov.
