3. APPLICANTS MUST BE AT LEAST 18 YEARS OF AGE AT THE TIME OF FILING THE APPLICATION.
4. PAPER EXAMINATIONS ARE ADMINISTERED IN APOPKA, FLORIDA ON A QUARTERLY BASIS – (See schedule).
5. ELECTRONIC EXAMINATIONS ARE ADMINISTERED AT YOUR LOCAL COUNTY EXTENSION OFFICE – PLEASE CONTACT THEM DIRECTLY TO MAKE THE ARRANGEMENTS (INSTRUCTIONS ARE INCLUDED WITH YOUR APPROVAL NOTICE). PLEASE REMIND THE COUNTY AGENTS THAT THIS IS THE 4 HOUR PCO EXAM YOU ARE SCHEDULING.
6. IF MAILING THE APPLICATION TO TALLAHASSEE, EVERY APPLICANT FOR EXAMINATION (INCLUDING RE-EXAMINATIONS) MUST AFFIX TO THEIR APPLICATION A PASSPORT TYPE PHOTOGRAPH AND MUST HAVE ORIGINAL SIGNATURES. THIS REQUIREMENT DOES NOT APPLY TO ELECTRONIC APPLICATIONS.
7. EXAM APPROVALS/VOUCHERS ARE VALID FOR ONE YEAR FROM DATE OF APPROVAL.

QUALIFICATIONS FOR EXAMINATION AND CERTIFICATION (Chapter 482.132, F.S.)

General Information

A certificate is issued to an individual who has passed an examination administered by the Department. Upon approval, an applicant will receive an admission notice for the exam that is valid for one year from date of issuance. Applicants must present the approval notice to the exam administrator in order to be admitted to the exam. Applicants must be at least 18 years of age at the time of filing their application.

Electronic examination is now available. Applying electronically is much faster than submitting a paper application. You begin the application process at this link <https://aesecomm.freshfromflorida.com/>. The same qualification criteria apply for electronic examinations. Electronic applicants will need to have their experience and documented job forms completed and signed and scanned back into their computer for uploading with their application.

Each applicant must have knowledge of practical and scientific facts of pest control. All questions are drawn from the stated reference materials.

Each applicant must be a graduate of an accredited high school or submit to the department satisfactory evidence of equivalent education. Applicants must provide a PHOTOCOPY of their high school diploma, or G.E.D. with their application. **Note:** High School graduation is NOT required of applicants for the Special Identification card.

A. WORK EXPERIENCE REQUIREMENT

Each applicant **MUST** possess at the time they apply, the minimum qualifications specified in ONE of the following sections (Chapter 482.132, F.S.) below.

Qualification by Experience Requirements

Applicants must possess at least three years of employment as an ID cardholder of a Florida licensee that performs pest control in the category being applied for. Up to two years of properly documented, out of state experience may be accepted, with at least one year of employment experience as an ID cardholder of a Florida licensee performing pest control in the category being applied for. All experience must be completed PRIOR to submitting the exam application and within a year of the application date.

Each applicant must complete an "Employment Service" form, DACS 13627, to document the required employment experience for ALL pest control employers (within or outside of Florida) and submit this with their application.

Note: Special Identification Card applicants qualify by possessing a current/valid employee identification card with a licensee performing fumigation.

Qualifying by Education Requirements

Applicants qualifying by education must submit legible photo static copies of college transcripts and evidence of degree conferred that demonstrates one of the following:

1. A degree with advanced training or a major in entomology, botany, agronomy, or horticulture from a recognized college or university that demonstrates the completion of at least 20 semester hours or 30 quarter hours of college credits in those subjects, plus 1 year of employment as an ID cardholder of a Florida licensee that performs pest control in the category, or categories, in which the applicant seeks certification or the successful completion of a 1-year entomology program at a public university in this state which specializes in urban pest management and includes practical pest management experience. If such advanced training or major is in entomology, the applicant is qualified for examination in all categories; but if such advanced training or major is in botany, agronomy, or horticulture, the applicant is qualified for examination only in the category of lawn and ornamental pest control.
2. A 2-year degree in horticultural technology or the equivalent from a college or university, with advanced training of 20 or more semester hours or 30 or more quarter hours of credit in horticulture, plus 1 year's employment as a service employee of a licensee that performs pest control only in the category of lawn and ornamental pest control. Such an applicant is qualified for examination only in the category of lawn and ornamental pest control.
3. A 2-year degree in general pest control technology or the equivalent from a college or university, with advanced training of 20 or more semester hours or 30 or more quarter hours of credit in entomology, plus 1 year of employment as a service employee of a licensee that performs pest control in any category or categories. Such an applicant is qualified for all examinations.
4. Twenty-four semester hours or 36 quarter hours of courses in entomology, pest control technology, and related subjects, plus 1 year of employment as a service employee of a licensee that performs pest control in the category of general household pest, termite, and fumigation. Such an applicant is qualified only for examination in the categories of general household pest control, termite and other wood-destroying organism's pest control, and fumigation.
5. Twenty-four semester hours or 36 quarter hours of courses in entomology, pest control technology, agronomy, botany, horticulture, and related subjects, plus 1 year of employment as a service employee of a licensee that performs pest control in the category of lawn and ornamental pest control. Such an applicant is qualified only for examination in the category of lawn and ornamental pest control.

6. Three years' full-time employment as a service employee of the United States Department of Defense, who has been certified to perform pest control in the category or categories in which the applicant seeks certification, 1 year of which employment must have been completed in this state during the year immediately preceding application for examination. Additionally, the application for certification must be submitted to the Department of Agriculture and Consumer Services within 12 months after the date of termination of employment from the Department of Defense.

B. PRACTICAL EXPERIENCE REQUIREMENT

In addition to the work experience requirements above, applicants must have performed, as an identification cardholder in this state and under the direction of a certified operator, a minimum of 45 jobs for General Household and Rodent Pest control, Lawn and Ornamental Pest control, and Termite and Other Wood-Destroying Organisms categories or a minimum of 15 jobs for the Fumigation and Special Identification Cardholder exams. (**NOTE:** For the Termite and Other Wood-Destroying Organisms category, you are limited to a maximum of 15, Form 13645 Inspection Reports. The other 30 jobs must be associated with treatments.)

This documentation must be submitted on a "Documented Pesticide Application for Certification Exam Qualification" form, DACS 13653, and included with their application. Please provide SPECIFIC pests that were treated or inspected for.

C. EXAMINATION FEES

Electronic exams must include credit card information necessary for payment. Each paper application must be accompanied by a check or money order made payable to the "Florida Department of Agriculture" (FDACS). The exam fee for EACH category is currently set at Three Hundred Dollars (\$300). Applications for the Special Identification Card in fumigation category must submit a fee of Two Hundred Dollars (\$200).

Please issue a separate check and application for each category. Applications received without the required fees will be considered incomplete and will not be processed.

Checks returned for insufficient funds or stop payments will invalidate the application for non-payment of fees. There is a minimum \$15.00 service fee, or 5% of the face value of the check, whichever is greater, for each item returned by the bank.

Refunds

No refunds of exam fees shall be made UNLESS the applicant presents written evidence that he or she was under military orders, or jury duty or otherwise subpoenaed, or under medical care at the time of the examination.

If an applicant fails to appear at the scheduled exam, the applicant may submit a WRITTEN request to attend the next available scheduled exam. However, the examination fee will be forfeited if the applicant fails to take the written examination they were approved for, within any of the next three (3) subsequent exam offerings following the original application. In the event of a fee increase, the applicant will be required to pay the difference.

D. EXAM INFORMATION

The Bureau maintains a list of reference materials by category that are used to prepare exam questions and for the examinees to study in preparation for the Florida Pest Control Examinations. These materials can also be found on the Bureau's website at <https://www.fdacs.gov/Business-Services/Pest-Control/Exam-Schedule-and-Information>. All exam questions are drawn from the reference materials.

E. EXAMINATION LOCATIONS

Electronic examinations are now available in several local county extension offices. You begin the electronic application process at this link <https://aesecomm.freshfromflorida.com> and instructions are provided on how to contact the extension offices offering electronic exams.

Paper exams are administered, per the published exam schedule, every quarter in the teaching auditorium located at the UF/IFAS/Mid-Florida Research & Education Center, 2725 S. Binion Rd., Apopka, FL, 32703. The exams are held in the education building auditorium (the building on the left when facing the structures from the parking lot). This new facility does NOT ALLOW SMOKING anywhere on the property. In addition, there are NO VENDING machines available on site.

G. EXAMINATION DEADLINES

If you apply electronically, there is NO examination deadline but you must submit the application at least 4 days in advance of the planned examination date. The examination deadlines associated with paper examinations are normally the 2nd Monday of January for the March exam, the 2nd Monday of April for the June exam, the 2nd Monday of July for the September exam, and the 2nd Monday of October for the December exam. The exact deadline dates can be found on the department's website at this link: <https://www.fdacs.gov/Business-Services/Pest-Control/Exam-Schedule-and-Information>.

F. EXAMINATION CATEGORY AND DATE AND TIMES OFFERED

Electronic exams are offered, by appointment, "on-demand" throughout the year at local county extensions offices. The most experienced electronic examination offices offering the exam are Bay County, Duval County, and Palm Beach County. Additional county extension offices are working toward offering the electronic exams.

Paper examinations are offered beginning on the second Monday, and Tuesday during March, June, September, and December of each year per the published examination schedule found at this link: <https://www.fdacs.gov/Business-Services/Pest-Control/Exam-Schedule-and-Information>.

PLEASE NOTE – A CERTIFICATE ALONE DOES NOT AUTHORIZE YOU TO PERFORM PEST CONTROL. YOU MUST ALSO OBTAIN A PEST CONTROL BUSINESS LICENSE FROM THIS OFFICE IN ORDER TO OPERATE A PEST CONTROL COMPANY.

IMPORTANT NOTICE EXAM ANNOUNCEMENT PLEASE POST IMPORTANT NOTICE

TO: All Pest Control Licensees and Certified Operators

SUBJECT: Announcement of Pest Control Examinations

Pursuant to Chapter 482.141, Florida Statutes (F.S.), the Department announces the examination and application deadline dates for persons seeking a special identification card or pest control certification.

Applications are now accepted ON-LINE

Persons wishing to certify pursuant to Ch. 482.141, F.S., can now apply on-line through the Department's eCommerce site: <https://aesecomm.freshfromflorida.com>.

- Exam application deadlines DO NOT APPLY for electronic applications and the application process is much faster.
- Complete the on-line application and, if qualified, you will receive an approval email from the department providing you a voucher number and a link to the UF/IFAS Exam Scheduling portal.
- Schedule your exam at a location convenient to you on a date and time of your preference. (Please remind the local county office that you are scheduling the 4 hr. PCO exam.)

Exam application deadlines STILL APPLY for written exam packets for the quarterly exams. Application for examination must be made **individually**, in writing, and submitted with exam fees. Experience requirements must be completed on or before the application deadline date.

PLEASE CHECK THAT YOU ARE USING CURRENT study references which can be found on the Bureau's website at: <https://www.fdacs.gov/Business-Services/Pest-Control/Exam-Schedule-and-Information> or upon written request to the Florida Department of Agriculture and Consumer Services, Bureau of Licensing and Enforcement, 3125 Conner Blvd., Bldg. 8, Tallahassee, FL 32399-1650 or by calling (850) 617-7997.
