

Florida Department of Agriculture and Consumer Services
Division of Food Safety

MEDICAL MARIJUANA TREATMENT CENTER APPLICATION – LIST OF EDIBLES

As part of the application process, you must provide to the Department a list of all Edibles you intend to produce or manufacture. Select the categories and product type(s) that apply to you. This list is not intended to be all inclusive, if you are producing or manufacturing products not found on this list, then select the “other” category and list the item(s). Complete this list and submit it as an attachment along with your application.
