

REFUNDS

The Florida Forest Service will provide refunds according to the following schedule:

Prior to November 12, 2021 - Full Refund.

After November 12, 2021 - No Refunds.

Requests for refunds must be made in writing to: Andrews Nursery P O Drawer 849, Chiefland, Florida 32644.

If the Florida Forest Service is unable to supply the seedlings you ordered, you will receive a full refund (including delivery fee) for all or any unfilled portion of your order. If after paying for delivery, you elect to pick your seedlings up at the nursery, we will refund your delivery fee, provided you notify the nursery of your change at least five working days prior to your scheduled delivery.

Love the state forests? So do we!

The Friends of Florida State Forests is a direct-support organization of the Florida Forest Service dedicated to ensuring Florida's State Forests are available for future generations to enjoy. Make a difference by joining today to help protect Florida's State Forests.

Membership dues go to the forests for conservation and improvement projects. To join Friends of Florida State Forests or for more information, visit:

www.FloridaStateForests.org

GENERAL INFORMATION

The Florida Department of Agriculture and Consumer Services, Florida Forest Service, provides bare root and containerized tree seedlings to serve and support the reforestation needs of Florida's citizens.

Successful tree planting is dependent on three important factors: careful harvest and packaging of quality seedlings by the nursery, prompt planting by the customer, and adequate rainfall.

While neither the Florida Forest Service nor the customer can control the rainfall, both must do their part to ensure successful reforestation.

The Florida Forest Service makes every effort to provide fresh, high quality seedlings.

Customers are encouraged to make every effort to ensure that their seedlings are planted properly as soon as possible after delivery.

A Florida Forest Service County Forester is available to assist you with the planning of tree planting projects in each county. Please contact the appropriate office listed in this brochure.

For more information, please contact Andrews Nursery or visit our website:

FLORIDA TREE SEEDLINGS

**BARE ROOT & CONTAINERIZED
2021-2022**

FLORIDA DEPARTMENT OF AGRICULTURE
AND CONSUMER SERVICES

Ordering Information

Beginning July 1, 2021, Andrews Nursery will begin accepting seedling orders for the upcoming tree planting season. Seedling order forms can be obtained by calling Andrews Nursery (352) 493-6096, or from your local Florida Forest Service office. Completed forms may be submitted either in person or by mail to Andrews Nursery beginning July 1, 2021.

Seedling pickup and deliveries are scheduled on a first come, first served basis until maximum lifting capacity for the nursery is reached. Once maximum lift capacity is reached customers will be offered the opportunity to receive their seedling on the next available day. Seedlings are generally sold by the thousand. However, customers with smaller needs may purchase either 250 or 500 seedlings.

Orders of 1,000 or more must be in increments of 1,000. Please submit your order form along with a check or money order payable to:

FLORIDA DEPARTMENT OF
AGRICULTURE AND CONSUMER
SERVICES

**FULL PAYMENT MUST ACCOMPANY
YOUR SEEDLING ORDER. ORDERS
SUBMITTED WITHOUT PAYMENT WILL
BE RETURNED.**

During processing, your order will be assigned a specific number. This number will be placed on a copy of your order form and returned to you. Always refer to this number when discussing your order with the nursery.

Where and when you receive your seedlings is entirely your choice. Customer pickup at Andrews Nursery can be scheduled each week, beginning December 1st, Tuesday through Friday (no Monday pickups), 8:00 a.m. – 3:00

p.m. For a small delivery fee, seedlings can be delivered to one of the Florida Forest Service delivery points listed in this brochure.

First, select “where” you wish to receive your seedlings and indicate that on your order form. The “when” is often more difficult to choose, especially with the orders placed during the summer, well in advance of planting.

Seedling orders will be filled December 1st through March 1st and orders not received prior to March 1st are considered VOID and forfeited unless prior arrangements have been made with Andrews Nursery.

The Andrews Nursery staff recommends you check the statement on the order form which says you intend to notify the nursery at a later time of the exact date you wish to receive your seedlings.

However, if you are certain of the date you wish to receive your seedlings, please enter the date on your order form. If you are having your seedlings delivered, please verify that your selected date matches the dates listed for your delivery point in this brochure.

When scheduling, rescheduling, or canceling the pickup or delivery of seedlings, please call the nursery at least five (5) working days prior to the date scheduled. This lead time will assist the nursery in providing you the freshest possible seedlings on your specified date. If the nursery is unable to fill your order on the date specified, you will be contacted and another date will be arranged.

For assistance in ordering tree seedlings or information about forestry in your area, contact the Florida Forest Service at the offices listed below:
