ONLINE CLASS D SECURITY OFFICER LICENSE AND CLASS G STATEWIDE FIREARM LICENSE RENEWALS

We are pleased to announce Class D Security Officer Licenses and Class G Statewide Firearm Licenses can now be renewed online at cwrex.freshfromflorida.com.

Our team is committed to the goal of providing world class service and increasing the ease and availability of renewal services for over 160,000 Class D Security Officer Licensees and nearly 30,000 Class G Statewide Firearm Licensees is a vitally important part of achieving that goal.

The Division of Licensing will continue to mail renewal notices, and license holders will need this document to initiate the online renewal process.

Our Class D license holders will be able to complete the entire renewal process – including submitting a renewal application, uploading a passport-style photo, and paying fees – online and will receive their renewal licenses by mail.

Our Class G license holders will be able to upload passport-style photos, pay fees, and submit renewal applications online. In the final steps of the online renewal process, the system will prompt licensees to submit the required original Certificate of Firearms Proficiency for Statewide Firearm License (Form FDACS-16005) either by mail to Post Office Box 5767 Tallahassee, FL 32314, or at one of our nine regional offices in the following locations: Doral, Plantation, Fort Walton, Jacksonville, North Port, Orlando, Tallahassee, Tampa, and West Palm Beach. Class G license holders will also receive their renewal licenses by mail.

It is important to note the Florida Department of Agriculture and Consumer Services does not charge a fee for mailing a renewal notice or for mailing or downloading a new application package. Any website charging consumers a fee for assistance with obtaining renewal or application documents is not affiliated with the department. The department will only charge applicable [fees](#), as set by law, upon submission of the application to the department.
